**Trinity Institute of Innovations in Professional Studies** functions under the umbrella organization, Eveready Exim, pioneers in the field of Education. Located in Greater Noida Delhi NCR, Uttar Pradesh, the Institute was established to cater to the need of professionally competent individuals in the globalised scenario. The Institute offers Professional Programmes in the field of Engineering, Law, Management & Mass Communication. The major objectives of the Institutions are :-

1. To impart quality higher education with a globalized objective to meet the needs of society.
2. To provide opportunities for higher learning that culminates in attractive job opportunities.
3. To shape self motivated & technologically competent professionals in the contemporary digital era who would be intellectually competent, morally upright, socially committed and spiritually inspired.
4. To imbibe knowledge and develop an understanding of the various pedagogical techniques involving professions.
5. To develop an all-rounded personality having the capability of analytical thinking and a commitment to excel both in personal and professional endeavors. The budding individuals would grow to have vision, courage and dedication to succeed in a dynamic and technology-driven environment

Institute is committed for high standards of education in pedagogical strategies and course structuring by experienced faculty members. Pedagogy includes theoretical and practical perspectives through seminars, workshops, group discussions, field trips, etc.
