**DR. V.P. TANDON**  
**CHAIRMAN**

As the chairman of Trinity Institute of Innovations in Professional Studies, I have the opportunity to provide good leadership and to ensure that the Institute becomes a model of excellence in education in the years to come. If I had to state what differentiates us from others, I would like to say that it is our qualitative approach to incredibly diverse facilities for students and faculties in an intensive learning experience. Moreover, a great advantage from valuable industry network, which equips the students.

All our programmes which are being introduced focus on professional development with current and future prospects to excel. We encourage academic & supportive environment for personal growth and success. I welcome you to be a part of this experience!

**DR. R.K. TANDON**  
**GENERAL SECRETARY**

When you come to Trinity Institute of Innovations in Professional Studies, you are choosing an Institute which has been established for raising the bar of excellence in education. Behind this there is an experience of almost more than two decades in managing a large conglomerate of education institutions with excellent infrastructure and education delivery processes benchmarked with the best. The experiential education that youngsters shall receive while at TIIPS shall empower them to solve real work of world challenges,

whether through joining the workforce, continuing on with further studies, launching an entrepreneurial venture or forging a different path, graduates have to brought their 'Think and Do' spirit into the world. Our passion for the areas of expertise we operate in and our cordial relationship with industry will help you to find your future with the programme you choose; we will support you with the very best academic staff and state-of-the-art facilities.

**DR. REEMA TANDON**  
**HON'BLE MEMBER, BOARD OF DIRECTORS**

It gives me immense pleasure to appreciate your decision to focus on Trinity Institute of Professional Studies for pursuing higher studies professionally. In this era of globalization which makes it imperative to re-orient knowledge in volatile trading environment, Trinity Institute of Professional Studies is the way to go. Trinity Institute of Professional Studies was established to lead, train and develop the future business managers by fostering wider understanding of complex global perspectives in an interactive, inspiring and conducive ambience.

**MR. LAKSHAY TANDON**  
**HON'BLE MEMBER, BOARD OF DIRECTORS**

At Trinity Institute, we believe that education is the foundation of innovation, leadership, and success. Our mission is to provide students with a learning environment that encourages academic excellence, creativity, and professional growth. With experienced faculty and industry-oriented exposure, we prepare students for the challenges of a rapidly evolving world. We focus on building confidence, values, and leadership qualities that help students achieve their dreams and build a successful future.

# MSME Facilitation and Entrepreneurship Support

The institute actively promotes entrepreneurship through awareness and engagement with **Micro, Small, and Medium Enterprises (MSME)** initiatives. The MSME facilitation support aims to guide students and aspiring entrepreneurs in understanding government schemes, startup support systems, and funding opportunities available for small businesses.

Through workshops, expert talks, and skill development programs, students gain insights into **business registration, financial assistance, innovation support, and market development.** The initiative encourages students to explore self-employment and entrepreneurial ventures, contributing to local economic development and strengthening the MSME ecosystem.

# WELCOME TO THE ERA OF IMPACT FOUNDERS!

## Technology Business Incubator@TRINITY

The Incubation Centre at TRINITY Group fosters innovation and entrepreneurial thinking among students by transforming ideas into viable business ventures.

The Incubation Centre at the institute is dedicated to promoting innovation, entrepreneurship, and startup culture among undergraduate students.

It provides a supportive ecosystem where young minds can transform creative ideas into viable business ventures.

The centre offers mentorship from experienced faculty and industry experts, guidance in developing business plans, prototypes, and market strategies, and opportunities to interact with entrepreneurs and startup mentors.

# CENTRE OF EXCELLENCE

EMPOWERING MINDS. BUILDING EXCELLENCE.

Our Centre of Excellence is committed to fostering academic brilliance, innovation and leadership. We bridge learning with real-world impact and shape future-ready professionals.

## OUR FOCUS AREAS

### ACADEMIC EXCELLENCE

Delivering quality education with industry-relevant curriculum and expert faculty.

### RESEARCH & INNOVATION

Encouraging curiosity and innovation through advanced research and interdisciplinary collaboration.

### SKILL DEVELOPMENT

Industry-aligned training, certifications and hands-on learning for career success.

### INDUSTRY COLLABORATION

Building strong partnerships for internships, live projects and placement opportunities.

### HOLISTIC GROWTH

Nurturing leadership, ethics and social responsibility for overall development.

“ Excellence is not an act, but a habit. ”  
– Aristotle

# DRONE & ROBOTICS LAB

IMAGINE | INNOVATE | CREATE

A cutting-edge lab where imagination takes flight and ideas come to life. Empowering students to explore, experiment and engineer intelligent solutions for tomorrow.

## WHAT WE OFFER

### DRONE TECHNOLOGY

Design, build and fly drones. Learn aerodynamics, navigation and mission planning.

### ROBOTICS & AUTOMATION

Work with robots, sensors and actuators to build intelligent and automated systems.

### HANDS-ON PROJECTS

Industry-oriented projects, hackathons and challenges to apply your skills.

### AI & EMBEDDED SYSTEMS

Explore AI, IoT and embedded technologies for smart and autonomous solutions.

### EXPERT GUIDANCE

Learn from experienced mentors and industry professionals in a collaborative environment.

## LAB FACILITIES

Advanced Drones

Robotics Workstations

Simulation Software

IoT & Sensor Kits

3D Printing & Prototyping

Future Ready

Practical Learning

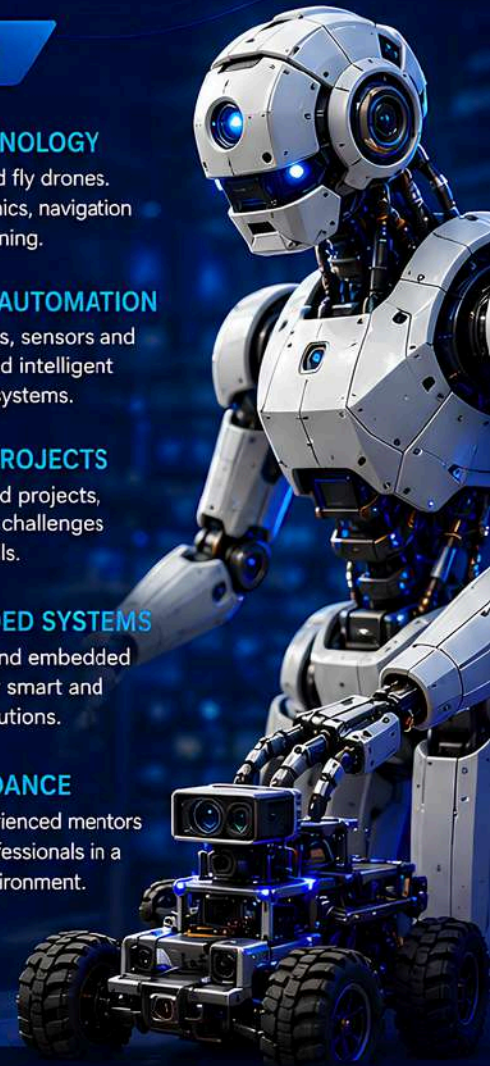

Innovation Driven

Stronger Together

Limitless Possibilities

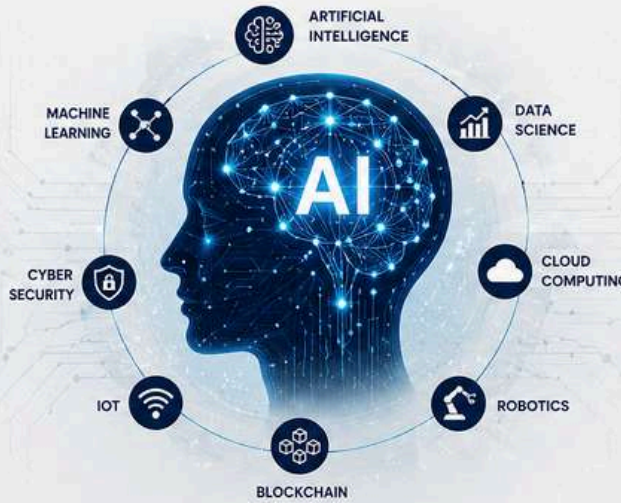

# COURSE OFFERED & VALUE ADDED CERTIFICATIONS

Learn. Innovate. Certify. Succeed.
